12.30 pm            Lunch and discussions in the Coach House  
Cost                 £15/head to cover lunch and use of the facility

To book your place/s please contact the BHA NI representative, Trevor McBurney

**Directions**    [www.glenarmcastle.com](http://www.glenarmcastle.com)

If you are coming from the Ballymena direction along the Munie Road as you approach Glenarm you will see a 6ft high stone wall on the RHS. Turn in to the first entrance you see in that high wall. It is easy to miss coming from that direction so if you get as far as the quarry entrance you have missed it.

If you coming along the coast road into Glenarm, when you hit the village follow the signs for Ballymena and you will come up the Munie road from the village. About 1/3 of a mile out of the village you will see an entrance on the left through the stone wall just after you pass the quarry on the right. Once you enter the estate just follow the lane - It's just over a mile to the hydro!
